

Patriarch Kirill congratulates Bishop Anthony of Moravici on his 50th birthday

His Holiness Patriarch Kirill of Moscow and All Russia congratulated the representative of the Patriarch of Serbia to the Patriarch of Moscow and All Russia and rector of the church of Ss Peter and Paul-at-Yauza Gates in Moscow (the Moscow representation of the Serbian Orthodox Church), Bishop Anthony of Moravici, on his 50th birthday.

To His Grace Anthony, Bishop of Moravici

Your Grace,

I cordially congratulate you on your 50th birthday.

The Church of the great saint Sava has entrusted Your Grace with the lofty and important service of care for preserving and strengthening the fraternal relations with the Moscow Patriarchate, and it is with distinction that you have carried out this important task for many years.

Sincere love, unanimity and mutual support have distinguished the relationships between the same-faith peoples spiritually nourished by our Churches. These glorious traditions are continued today also through your diligent efforts as rector of the Serbian church representation in Moscow. In recognition of your service, I deem it right to award you the Russian Orthodox Church's Order of St. Alexis, Metropolitan of Moscow, Third Degree.

I prayerfully wish you the abundance of spiritual gifts, sound health and inexhaustible help of God for many years of peaceful and blessed archpastoral ministry.

With love in the Lord,

+ Kirill

Patriarch of Moscow and All Russia
