

Orthodox Publishing House is registered in the Diocese of Korea

DECR Communication Service, 04.11.2022.

An Orthodox publishing house has been registered in the Diocese of Korea. It will translate, print and distribute Orthodox books in the Korean language.

There have been published "The Orthodox Catechism of St. Philaret of Moscow" ('Pushkinhouse' publishers), "The Divine Liturgy" and 'Instructions for the Immortal' by Rev. Daniel Sysoyev.

An Orthodox liturgical collected volume is being translated into Korean, official website of the Patriarchal Exarchate of Southeast Asia reports.
