Schismatics seize church building of the Ukrainian Orthodox Church in Vyshhorod.

DECR Communication service, 06.09.2023.

On 5th September supporters of the schismatic structure known as the ‘Orthodox Church of Ukraine’ seized the Church of Saints Boris and Gleb, belonging to the Ukrainian Orthodox Church, in Vyshhorod.

As the Soyuz pravoslavnykh zhurnalistov website reports, the schismatics with a hammer and chisel broke down the doors of the church building. The police, who were present when this happened, did nothing to stop them.
