Your Excellency,

Dear Mr President,

Please accept my congratulations on your re-election as President of the Arab Republic of Egypt.

The election results have convincingly demonstrated that the people support your state-building policy aimed at ensuring greater social stability and security and carrying out necessary socio-economic reforms promoting the welfare of your fellow citizens.

The Russian Orthodox Church directs particular attention to strengthening its ties with the Egyptian Christians and Muslims. I would like to hope that you will support this mutually beneficial dialogue.

Sincerely yours,
