

## Environmental protection program launched in Vihiga County in Kenya with support of Russian Orthodox Church

**DECR Communication Service, 17/03/2026**

In the early March 2026, Priest Anthony Chitwa, a cleric of the Kakamega Deanery in Kenya, was invited to join the Vihiga County Environment Committee to participate in various ecological initiatives.

The local administration asked church communities for assistance in tackling ecological issues, and Rev. Anthony Chitwa was appointed the program coordinator, **Telegram channel of the Patriarchal Exarchate of Africa reports.**

As part of the program, Father Anthony supervised tree planting, which was aimed at improving

ecological situation in the county.
